

Continental Elite® Outdoor Power Equipment Belt with Insta Power® Technology

Your Power Driver

Our Insta Power® belts are designed to deliver premium, long-life performance in demanding outdoor power equipment applications.

Features & Benefits

- › High-strength aramid cord prevents stretch and improves reliability
- › Wear-resistant fabric envelope resists shock loads and abrasion, including drying and cracking at high temperatures
- › Internal rubber cushion provides excellent flexibility to handle high-stress drive applications
- › Static-conducting envelope provides added safety for the operator

Functional Part Numbering System

Insta Power #	Top Width	Example Part #
83xxx	3/8"	84325 84 = 1/2" 32 = 32" 5 = 1/2" or 1/2" top width, 32.5" long
84xxx or 84xxxx	1/2"	
85xxx or 85xxxx	5/8"	

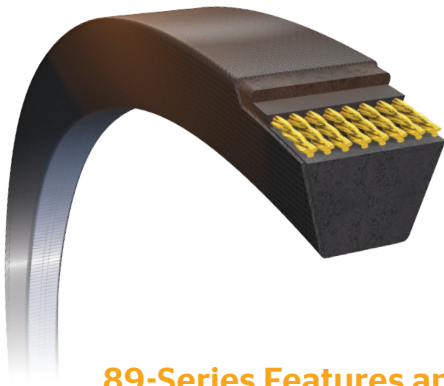

The last three or four digits of the Insta Power® part number reference the outside circumference expressed in inches and tenths of an inch.

Industrial application belts should not be substituted for Insta Power® belts, as they may fail prematurely due to differences in material specs.

To learn more about Insta Power® belts, as well as the complete line of Continental Elite® outdoor power equipment products, contact your local sales representative or call 1-800-869-0435.

Specialty Application Belts

In addition to our **Insta Power**® line, we offer an extensive specialty belt line to fit a number of OEM applications. These belts provide form, fit and function for your OEM needs.

89-Series Features and Benefits

- › Elite® specialty application belts supplement the Insta Power® belt line to provide full coverage on popular lawn and garden applications
- › Engineered in an assortment of constructions and sizes to match specific original equipment belt specifications
- › Specialty Application 89 Series part numbers run sequentially and do not reference a top width or length

To learn more about Insta Power® Specialty Application belts, as well as the complete line of Continental Elite® outdoor power equipment products, contact your local sales representative or call 1-800-869-0435.
