

Quiet Ride. Lasting Performance.

Want satisfied customers and fewer comebacks?

Continental Elite® is the high quality belt and hose you can depend on - and the brand you trust.

Elite® Belts

Coverage for 98% of all vehicles on the road today. Routing diagram to facilitate installation and assure proper belt routing can be found at partfinderelite.com.

- › Increased flexibility addressing heat build-up and reducing belt cog noise
- › Improved compounds reduce belt rib cracking and piling
- › High-strength tensile cord retains tension longer than competing belts
- › Meets or exceeds OE specs

Radiator and Molded Heater Hose

Solve complicated configurations with the hose-quality enhancements and rubber-compound improvements that provide increased performance.

- › Handles high engine temps
- › Easy installation/quicker turns for techs
- › Constructed to meet OE manufacturer specs
- › Meets or exceeds SAE 20R4 D1 specs
- › Reduces premature hose leaks and failure
